

Honor a mentor. Earn a membership.

Robert Bonney, MBA '74, MS '76, thinks the world of Stuart Wesbury, former head of MU's Health Management and Informatics program. "I owe him my career in a lot of ways," says Bonney, senior vice president for Saint Luke's Health System in Kansas City. He's one of many alumni who contributed to an endowed chair in Wesbury's honor by raising more than \$500,000.

When Bonney and his wife, Gay Lee Ludwig-Bonney, made a gift in honor of Wesbury, they not only found a way to thank his mentor, but also earned membership in the Jefferson Club. Members are invited to exclusive campus and regional events, receive special communications and may be recognized in MU publications and donor honor rolls. Join now to receive an invitation to the grand finale of the For All We Call Mizzou campaign and reserve your spot on the final campaign honor roll.

Thank you to all who joined the Jefferson Club at the sustaining membership level or above from January 1 to March 31.
